

Application No. 09/913,565  
Amendment and Response to Final Office Action of April 4, 2004

### REMARKS

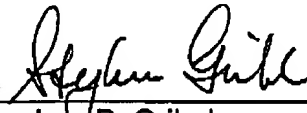

In the official action dated April 6, 2004, the examiner rejected several claims as anticipated by U.S. Patent No. 6,417,784 to Hilliard et al., and stated that claims 6 and 11 are allowed.

By this amendment, the rejected claims are canceled or amended to depend from allowed claims. In view of such amendment, applicant need not comment further on the rejection of record. This amendment is made without prejudice to the possibility of a continuing application seeking allowance of other claims.

All claims now pending are in condition for allowance and allowance is hereby requested.

Respectfully submitted,

Date: Aug. 6, 2004
